Middle School Science Programs

hightouch hightech®

Middle School Science Labs

High Touch High Tech offers fun and educational 60 minute interactive in-school labs. Our fee is \$7.00 per student; teachers and parent chaperones participate free of charge. Schools receiving outside grants may use them for the programs, or parents or the PTA/PTO can pay the fees.

High Touch High Tech provides all equipment and materials in this supply intensive educational experience. Programs feature educational handouts and take home experiments.

Reservations are required, please call today!

Benefits of High Touch High Tech programs:

- We come to you...no buses needed!
- Meets National Science Student Performance Standards
- Grade Appropriate
- We offer in- school and after school programs
- We can coordinate our programs with your Science Curriculum

SERVING HOUSTON & SURROUNDING AREAS!
